ACTION REQUESTS  
-----

¶1. Action Requests: Ambassadors or appropriate senior embassy officials at action addressee posts are requested to deliver the text in paragraph 5 as a letter over Post Official's signature to either the host government's Foreign minister or, if known, the host government's Designated Minister-level head of official delegation to WIREC 2008. Posts at their discretion may cc other ministers who have indicated an interest in attending WIREC. Posts are asked to confirm delivery of the letter via return cable. Please include name and contact information for post's WIREC POC in the response cable.

¶2. Posts are requested to inform their Host governments that Official Individual Country Ministerial-level delegations may consist of a maximum of 10 individuals per country, composed of up to three Ministers, including the Ministers of Foreign Affairs, Energy, Agriculture, or Environment (or the equivalent Ministers covering those portfolios) and three subnational government representatives. We defer to each country's Minister of Foreign Affairs (MFA) to determine their country's precise makeup of the 'Official WIREC Ministerial Delegation,' as well as to inform us of their 'Head of Delegation,' assuming more than one Minister-level delegate is part of that country's official delegation. However, we appreciate Embassy engagement with the MFA to ensure that the delegation is comprised of appropriate Ministers and subnational government representatives.

¶3. All action addressee posts are requested to inform their host governments that each member of the delegation must submit an individual registration form to confirm attendance at WIREC 2008. Official delegates may register for the conference via the internet at [http://www.usea.org/WIREC/official\\_party\\_registration\\_pub\\_0001.pdf](http://www.usea.org/WIREC/official_party_registration_pub_0001.pdf).

¶4. For Belmopan, Dominica, Grenada, Georgetown, and Bridgetown (for St. Vincent and the Grenadines): The Government of Canada, through its Mission to the

Organization of American States (OAS), has contributed funding to help cover travel costs for CARICOM countries' attendance at the March 3 OAS energy event and WIREC. The funding can support one person per delegation, preferably a Minister; official delegations do not/not pay the WIREC registration fee. Please contact OAS Energy Director Mark Lambrides at 202-458-6261 or mlambrides@oas.org.

TEXT OF LETTER  
-----

15. Begin text of the letter:

Dear Mr./Madam Minister: (or other appropriate salutation)

The U.S. State Department will host the Washington International Renewable Energy Conference (WIREC 2008) in Washington on March 4-6, 2008. WIREC 2008 is the third global ministerial-level event on renewable energy after Bonn in 2004 and Beijing in 2005. WIREC will serve as a global platform for ministers and senior leaders from the private sector, sub-national governments, and civil society to discuss and share information about the benefits of renewable energy, identify best practices and barriers, and consider policy options and measures needed to encourage the rapid development of renewable energy in their

STATE 00014169 002 OF 002

I am pleased to invite (insert name of country) to send an official delegation to WIREC 2008. Approximately 2,000 delegates will participate in the three-day conference at the Washington Convention Center, and we envision participation by U.S. Cabinet secretaries and senior White House officials.

In the spirit of the International Action Program that was agreed to at the Bonn Conference, I am inviting your government to consider making a voluntary national pledge at WIREC to accelerate the deployment of renewable energy in your country. The consolidation of national governments' pledges, as well as pledges from other major stakeholders (sub-national governments, international organizations, the private sector, civil society, and multi-stakeholder partnerships) will be one of the major outcomes of WIREC.

I look forward to your official delegation's active Participation in WIREC 2008.

Sincerely,  
(insert name of Ambassador or appropriate senior embassy official)

End text.
